Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

1. SAMPLES
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://www.flor.com/samples) to get started.

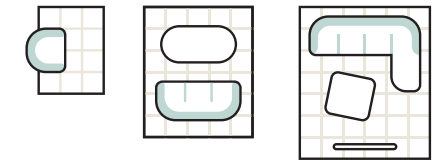

2. ORDER
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

3. FLORDOTS
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

4. EASY CLEANING
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

STANDARD & CUSTOM SIZES

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://www.flor.com/tile-calculator).

MEET OUR GUEST STYLIST

Diane Rath

WITH THE RATH PROJECT

Based in Connecticut and New York, Diane Rath is the owner and principal designer of The Rath Project, an interior design firm that focuses on creating harmonious homes for the whole family. When choosing pieces that can grow with the family, Diane often turns to FLOR for its durable yet playful rugs.

We invited Diane to style this family home with her favorite FLOR rugs and accent pieces. Check out which rugs Diane chose, plus her tips for creating a home that brings out the unique personality of everyone in the family.

A lover of saturated colors, Diane styled this living space with Hollin Hills in Spice.

FORM, FUNCTION, FAMILY

TELL US ABOUT YOURSELF, THE RATH PROJECT, AND YOUR DESIGN PHILOSOPHY.

The Rath Project focuses on family-friendly designs and understanding the needs of young families. We love pushing people outside of the box with color, pattern, texture, etc., while also making sure we capture their vision. Our clients are typically looking for eclectic, fun, colorful, and whimsical interiors.

YOU BRING SOMETHING NEW TO EVERY INTERIOR YOU DESIGN. HOW DO YOU HIGHLIGHT THE PERSONALITIES OF EACH SPACE TO MAKE IT UNIQUE?

We start by visiting our client's home when the whole family is there, pets included! We want to see how they interact with the space and how the design impacts everyone's day-to-day. The design of a space needs to function for everyone, and we want the personalities of each family member to shine.

WHAT MAKES FLOR A GOOD FIT FOR THE PROJECTS YOU'RE WORKING ON?

It's perfect for busy families and lifestyles! I always recommend it for clients who need a rug to hold up to everyday messes. It's super flexible and cleanable. If a stain won't come out, just replace a square. The customizability is also a huge plus when it comes to unique sizing and cuts—and it's sustainable.

WHAT'S THE MOST EXCITING THING ABOUT DESIGNING YOUR OWN SPACE?

I use my house as a design laboratory; if there's anything different and interesting that I want to try, I test it out in my house first. I love playing with color drenching and paint trends, and also wallpaper—it's all over my house!
